

TRALCA®

This unique wine is a faithful expression of the exceptional Colchagua terroir.

Rigourously selected zones carefully tended by expert hands produce our Ultra Premium wine, that is a genuine expression of nature.

Deep ruby red hues with slight tones of red clay on the rim. Complex aromas on a fruit based line that delivers hints of ripe red berries and cherry liqueur. The palate is soft and round, full-bodied, and very rich in structure due to its firm and sweet tannins. Notes of blueberry jam and spice, with layers of mocha and chocolate on the finish.
