<b>Appellation</b>	: Colchagua	<b>Acidity (g/L)</b>	: 4,48
		<b>Sugar</b>	: 2,77

---

**Vineyard** : Vineyards located in the area of Cunaco, Nancagua. Vertically-trained vines. Computerized irrigation. Plants that naturally produce low levels of vegetative growth.

**Climate** : Mediterranean climate with ocean influence, with temperatures ranging between 8 and 12 °C in winter and 18 and 29°C in summer. Annual precipitation: 500 mm.

**Soil** : Medium-to-shallow depth soil with a mixture of clay and sandstone in a rocky profile of granite and alluvial origin.

**Harvest** : Manual and mechanized harvest, de-stemming in the field beginning the second week of April.

**Fermentation** : Traditional fermentation in stainless steel, with select yeasts, little pumping over, increased aeration and no wood contact. Micro-oxygenation during Malolactic fermentation

**Aging** : 25% in third- and fourth-fill barrels, concret tanks, 6 months.

---

**Tasting Notes** : Our Cabernet Sauvignon is bright, clean ruby red in color, with medium body. The intense, nose is rich in ripe black fruit like blackberries, some menthol and pepper. Aging in barrels adds subtle smoke and leather aromas. In the mouth, the balanced acidity gives the wine a more persistent and elegant finish.

**Pairing Suggestions** : La Joya Gran Reserva Cabernet Sauvignon is a great pairing for fatty red meats, ripe cheeses or strong-flavored cold cuts.

**Recommended Serving** : Autumn/Winter 16°C.  
Spring/Summer: 13°C.
